

MEMO

2 February 72

Hal -

I regret terribly my long silence -
all correspondence has been
most difficult in recent months.
But enclosed is new COSMEP
directory of Small Magazine
editors ... and just have a
look at what news pages 34
and 44 hold! — Also,
what's this book of Lattimer's
all about?

— More later, and
do keep in touch,

Lee
